

Nissan Forklift Part

Nissan Forklift Part - Nissan prides itself on reaching complete client satisfaction when their client is enjoying one of their countless trucks, cars or forklifts. Nissan Forklift division is a wholly owned subsidiary of Nissan Motor Co. Ltd. They are committed to offering high value and meticulous quality standards to their customers. Incorporating a rich heritage combined with strong processing principals, Nissan lift trucks supply a few of the finest materials handling equipment the industry has to offer.

In order to satisfy the worldwide requirements of their diverse client base, Nissan Forklift added a Swedish warehouse manufacturer, Atlet AB to its family. Committed to offering customer support, the business has four separate manufacturing facilities that allow them to constantly adapt to their customers continually evolving requirements by providing an array of modern ideas and designs.

Nissan Forklift operations for North and South America is situated in Marengo, Illinois. Home to a team of 350 personnel, they are dedicated to the design, manufacture, and support of their lift truck products. Utilizing ISO standards (ISO-9001 and ISO-14001 certifications) this enables sectors of the Nissan Forklift Operation to maintain environmental accountability by using methods and processes that reduce their environmental footprint. These high standards remind clients that Nissan operates under the quality seal that their clients require while being an environmentally responsive organization.

Nissan is quite convinced that any of their clients queries and customer considerations directed towards them can be fully addressed. Always available through their website or by calling 800.871.LIFT, contacting one of their locally authorized sellers or even going to their Midwestern office, Nissan Forklift Corporation is certain you will be impressed with their warmth and commitment.
