

Lull Telehandler Part

Lull Telehandler Part - Lull telehandlers have been supplying precision load placement since 1959. Whether the task requires positioning heavy steel, landing loads on scaffolding or transferring loads, utilizing a Lull telehandler will really help make the job go easier and faster. These units are available with the patented Stabil-Trak stability system so as to ensure operator confidence.

The horizontal placement system by Lull can supply 80 inches of boom travel for precision placement functionality. There are also a lot of optional Lull attachments for their telehandlers to be able to help finish whatever task.
